Welcome to Bauerfeind USA, where *Motion is Life.*

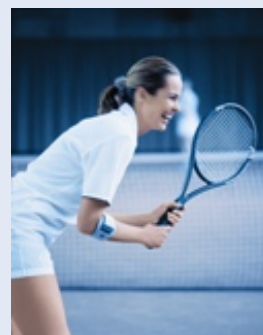

As one of the leading medical device manufacturers in the world, Bauerfeind makes an important contribution to maintaining and restoring health, mobility and well being to people all over the world. Our mission is to help people lead active, pain free lives at any age. We combine proven technological and manufacturing expertise with the strength of innovation and social responsibility, to provide the premier products in the industry.

Our product lines include Compression Stockings, Supports and Orthoses, Insoles and Therapeutic shoes, Prosthetic Components and Materials, and Measurement Technology. Our tradition of excellence and unrivaled commitment to quality are the driving forces behind everything we do. Great solutions, no compromises. Welcome to Bauerfeind USA.

Do I have tennis elbow?

"Do I have tennis elbow?" When asking that question, many times it is already too late. A sharp pain surges from the hand to the elbow and makes pain free movement impossible. Tennis elbow is an inflammation of the tendons that join the forearm muscles on the outside of the elbow. The forearm muscles and tendons become damaged from overuse — repeating the same motions again and again.

VANCOUVER 2010

State Premier Lieberknecht visiting the Bauerfeind service station, 02/21/2010

"Business meets Sport" was the theme of the Thuringian evening in the German House in Vancouver. State Premier of Thuringia, Christine Lieberknecht, visited the Bauerfeind service station along with silver medalist David Möller. Thanks to compression stockings, exhausted members of the Thuringian business delegation were still able to enjoy an "a-ha" experience in the late evening.

WINTER OLYMPIC GAMES 2010

Used by athletes from all over the world, 02/19/2010

The German House in Whistler was almost bursting at the seams last Tuesday. With two golds, Tatjana Hüfner (luge) and Magdalena Neuner (biathlon) ensured a relaxed atmosphere and plenty of media interest. Meanwhile, the work of the Bauerfeind teams in the polyclinics of the Olympic villages in Vancouver and Whistler continues.
